

# My Parent Involvement Pledge

*As a parent, guardian, and caring adult:*

- ◆ I am committed to giving my child the best education possible and I realize that strong school systems are essential to this.
- ◆ I will remind my child of the necessity of discipline in the classroom, especially self-discipline.
- ◆ I will give my child a home that values education and learning as important parts of life.
- ◆ I will include stimulating books among the presents I give my child and help my child build a small, but meaningful, library in our home.
- ◆ I will insist that all homework assignments are completed each night.
- ◆ I will communicate regularly with my child's teachers and school staff.
- ◆ I will join and/or support the Parent-Teacher Organization/Association offered at my child's school.
- ◆ I will sincerely attempt to respond to all school communications, attend family functions related to my child's education, and volunteer at my child's school.
- ◆ I will discuss at dinnertime what my child has learned at school.
- ◆ I will help my child appreciate the excitement in learning and the possibilities of a curious mind by providing enriching family experiences.

*Therefore, as a parent, guardian, and caring adult,  
I take personal responsibility for the education of my child and the  
strengthening of the schools in my community.*
